Swedish Massage

Clinical studies proved that Swedish massage can effectively reduce low back pain and joint stiffness. the techniques used in this massage are also effective in the management of stress hormones and in mood improvement. The effectiveness of this treatment can last for as long as 15 weeks,

Thai Massage

This full body floor massage that combines deep static and rhythmic pressures, Ayurvedic principles and assisted yoga posture and stretching techniques. No oil or lotions are used, instead the recipient wears loose, comfortable clothing for this treatment.

Deep Tissue Massage

Similar to Swedish massage, this treatment goes deeper and uses far more pressure to target the inner layers of muscles, tendons, and connective tissue (fascia). This massage is ideal for sports related muscle soreness and fatigue

Balinese Massage

Developed in Indonesia, this massage combines firm and gentle stroking, percussion, skin rolling and flicking and application of hot stones and essential oils. the combination of manual therapy and aromatherapy is intended for relaxation, loosening facial restrictions and stimulating the lymphatic system and the flow of blood and chi.
